From App Store Connect:

Then select the app

App Store Connect Le mie app >

Then select Test Flight from the top bar

App Store Connect Le mie app ~

App Store	Caratteristiche	TestFlight	Attività

Now, from the left panel select Users of App Store Connect:

FEEDBACK	nceveranno una ne dell'approvazione e	
Crash	Tester Build	
Screenshot		
TESTER E GRUPPI	Tester (2) 🕂	
Tutti i tester (2)	Email	
Utenti di App Store Conne	1.700	

Add a tester pressing + button in order to send the invite.

The user should check his email and accept (he must have an Apple ID)

Now, you may create a new build, and use TestFlight to send it to one or more tester.

Done [©] (you may also add some notice to inform the tester which feature need to be tested..)
